

Cocktails & Drinks

The sun, the trade winds and the Atlantic Ocean are the natural elements that have inspired the Lopesan Hotel Group, since its inception, to create an unbreakable connection with its surroundings.

It is precisely the essence of our Canary Islands roots that drives us to offer services of the highest quality, marked by the meticulous selection of the products that we present to our guests in every dish.

The commitment to sustainable development and the emphasis on consuming seasonal foods are central to our Lopesan For Good Km0 project, in which the Veneguera Estate plays a fundamental role, supplying more than half of the fruits and vegetables served in the company's hotels.

Lopesan Hotel Group is a guarantee of originality. For this reason, we strive to provide a small dose of local authenticity in each of the carefully crafted gastronomic creations you are about to enjoy, while also honouring the tradition of the finest flavours of our land.
